

2020-21 COVID PROTOCOLS DURING BASKETBALL GAMES AND WRESTLING MATCHES

High School → Each rostered individual (Home Team & Visiting Team) will be given three (3) tickets to attend the game or match. It is the responsibility of the rostered individual to distribute the tickets to the people they wish to attend the game or match. Staff or students must have a ticket in order to attend the games / match. Tickets will be valid for all events that day / evening. At this time, no fans at any home tournaments. **If you do not have a ticket, you WILL NOT get into the game or match.**

Middle School → No fan restrictions at this time.

When traveling to a visiting site, the team (players, coaches, managers, etc.) will have the following guidelines while traveling:

- Temperature will be taken and recorded
- The coach will ask the COVID screening questions.
- Everyone riding the bus must wear a mask on the bus, when entering the facility and when riding the bus home.

Each visiting facility may have different protocols for us to follow. In order to play the game, show good sportsmanship, and to show common courtesy to someone else's "house", we will follow their rules.

While attending any game or match, whether home or away, please be respectful of others and follow good social distancing protocols. However, we also ask that you use good 'ole common sense and if you don't feel good or you are not comfortable with the current protocols, please stay home.
