

# Pursuing Excellence with PRIDE through Education

## Curriculum and Instruction Sub - Committee

11.3.2020

### Focus Goals for this committee's work:

Enhancing student learning opportunities

Attracting and retaining quality staff

Enhancing instructional strategies

Social / Emotional / Physical supports for students

### Minutes

1. Reviewed the rubric. <https://bit.ly/3oJ3li0> and self-assessed the district. Current assessment was that we were in the implementation to transition in all four areas.
  - The group brainstormed soft skills, workplace skills, and career exploration topics that they want all students to have before graduating. <https://bit.ly/3jSAh9z>
2. This brought the group to adjournment time. Mr. Moran and Mrs. Cervantez will take the ideas and draft a scope and sequence to be taken back to MS and HS teachers before our next meeting.
