Facilities Planning and Design

Naming New Facilities

When a school is to be named, the Superintendent will appoint a committee which will include a Board member, the Superintendent as chair, a principal, at least one faculty member, student representation, and three to five other citizens of the community.

In selecting names, special consideration will be given to those names that will have some special meaning to the students and citizens and will enhance the educational values of the particular school.

Adopted by the Pettis County R-V Board of Education on March 15, 2001

Ron Higgins, Board President Bonnie Killion, Board Secretary
