Sand Creek Community Schools 2022-23 All Virtual Learning Plan

This plan would only be put into place if we were forced to go all-virtual due to any reason, including staff shortages, COVID-19 or state order. This plan will also be used for any additional snow/weather days beyond our six state forgiven days.

- Virtual, live google classes will be held each class period according to the teacher's F2F schedule. Every day and for every hour. Just as if the student was in the building.
 - First 10 minutes, LIVE google classroom time. Teacher will take attendance.
 - Student MUST be present (**with camera on**) in the LIVE google meet to be counted as present and not absent.
 - Teacher instructs and presents the day's lesson and the assignment and/or reviews the previous day's assignments.
 - Next 25 minutes of class period is Individualized Instruction. Teacher is on the whole time to answer any questions from students working. (Teachers may turn their video and microphones off.)
 - Last 10 minutes, Live Google Classroom time for wrap-up, reflection and answer any questions.

Students and Parents:

- Students ARE REQUIRED to attend (**with their camera on**).
- If not student will be marked absent.
- Work will be assigned and will be counted towards grade. Teacher will provide deadlines and due dates.
