### **Kasen Prine:**

*"Kasen is always really excited to come to school in person and attentive in the classroom. He's always polite, raises his hand, and shows respect to others around him."*

~ Mrs. Young, Kindergarten

### **Jason Colcord:**

*"Jason is a wonderful student! He is always on zoom and ready to learn. He is always eager to answer questions and participate. He brings his laugh to us when we need it most and is always trying his best with anything we give him!"*

### **Tayven Warren:**

*"Tayven is an awesome kid! I love his sense of humor, he always makes me laugh. I know I can always count on seeing Tayven in zoom meetings and at school. He is always smiling and he always has a great attitude about whatever it is we are doing. Tayven demonstrates our character traits every day and he is always kind to the other students in his class!"*

~ Mrs. Collins, Fourth Grade

### **Stevee Osborn:**

*"Stevee is always on time and prepared for class both virtually and in person. Stevee is eager to learn and understand! She often shares her strategies and ideas with our class. I love that she takes initiative and plans ahead, a skill that some adults still find hard to do. If Stevee is finished with an assignment, instead of asking what she needs to do next, she always looks at her planner and finds the next practice skill she could be working on and "gets ahead" of the game. Stevee is organized, motivated, and full of great ideas. I love having her in my class!"*

~ Mrs. Collins, Fifth Grade
