The Reek School Children's Center policies and fees are subject to annual review and change by the Linn Jt. 6 School District Board of Education.

Welcome

Dear Parents,

On behalf of the Board of Education and the staff of the Linn Jt. 6 School District, we thank you for enrolling your child in the Reek School Children's Center. We have created this program to better serve the needs of our families and to reduce the number of transitions that our students experience during a school day.

This Parent Handbook is designed to inform and notify parents/guardians of Reek School's policies and to demonstrate the district's commitment to respect, excellence and community in providing quality early childhood educational activities as well wrap-around services for our students. Please read the following policies so that you have a better understanding of our policies and procedures.

If you have any questions regarding our programs or policies, please contact me at 262-248-4120 ext. 203

Thank you again for sharing your child with us.

Yours truly,

Samantha Polek
District Administrator

Program Policies

A. Admission/Enrollment Policies and Procedures

Discrimination Clause

The Linn Jt. 6 School District does not discriminate on the basis of age, race sex, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability.

Preference is given to the children of residents of the Linn Jt. 6 School District as we exist to serve our community.

Enrollment

Enrollment is determined by the teacher/child ratio, the space available, the date when care is required, age limits and the appropriateness of service of the child's needs. As noted above, children of residents will be given priority for available space. Non-resident students will be allowed to continue attending once enrolled, as long as all required factors are met.

Special Needs

A child will be admitted as long as his/her special needs can be met by our staff. There will be a two (2) week trial period at which time the parent and Children's Center Director will review our ability to meet the student's needs. If it is determined that the Center is unable to adequately meet the student's needs, the student will be dismissed from the program without penalty. As appropriate, students will be referred for evaluation for special education services. Parent permission will be secured prior to any special education evaluation.

Ages Served

Our Children's Center serves elementary school aged children, ages 3-12. Children must be "potty trained" in order to participate in the Children's Center.

Please refer to the Board of Education policy regarding cold weather recess procedures.
