

## **Brock Powell Memorial Scholarship**

The Brock Powell Memorial Scholarship Fund was established in the memory of Brock James Powell whose life was tragically cut short in 2018. Brock leaves behind a legacy for his love for Christ, passion for life, and putting others' needs before his own. From a young age, Brock started making an impact on the lives of many. Even when he was faced with challenges, he always stayed positive and had a smile on his face. Brock truly loved spending time with family and friends. His competitive spirit shined while playing sports and in the arena showing his show pigs.

Brock was born with a congenital heart condition which consisted of several open-heart surgeries. Due to his heart condition, Brock was limited in some activities that he could participate in. Those limitations gave him even more drive to overcome any challenge he faced. He was determined to not let his disability define him but to define what he could do despite his disability. Brock was courageous and brave during his short twelve years of life. He taught any one he came into contact with the true meaning of happiness despite his hardships. Brock was pure JOY.

This scholarship program will annually award one or more scholarships of a one-time \$1,000 to high school seniors **who intend to pursue a college degree while striving to live life with the passion and servant heart that Brock possessed.** #LiveLikeBrock

The Selection Committee will review all submitted applications. Applicant's references may be contacted by telephone. The Scholarship Committee may choose to interview applicants. Scholarship recipients will be notified by June 15.
