Recognition

1.1

The Board of Education of Fairfield Community High School District No. 225, Wayne County, Illinois, hereinafter referred to as the “Board”, “Employer” or “District” recognizes the 225 Education Association, an affiliate of the Illinois Education Association and National Education Association, hereinafter referred to as “Association” or “Union”, as the sole and exclusive bargaining agent for all full and part-time regularly employed certified personnel—excepting the Superintendent of Schools, Principals, and all other supervisory, confidential, managerial, and temporary employees as defined in the Illinois Educational Labor Relations Act.

Article 2

Grievance Procedure

2.1

Definition

A grievance shall mean a complaint by or from a teacher, group of teachers, or the Association that there has been a violation, misinterpretation or misapplication of any of the provisions of this Agreement.

2.2

Time Limit

No grievance shall be entertained or processed unless it is submitted within thirty (30) days after the act or condition giving rise to the grievance or grievant's knowledge of such act or condition, whichever first occurs. All time limits shall consist of days the administration offices are scheduled to be open, except that when the act or condition giving rise to the grievance occurs during the employee's summer recess period, the time limits shall consist of employee work days. Time limits may be extended only by mutual agreement.

2.3

Procedures

The parties acknowledge that it is usually most desirable for an employee and his/her immediately involved supervisor to resolve the problem through free and informal communication. If, however, the informal process fails to satisfy the employee, a grievance may proceed as follows:

STEP 1:

The grievant shall present the grievance in writing to the immediately involved supervisor, who will arrange for a meeting to take place within ten (10) days after receipt of the grievance. The written grievance shall identify the grievant, summarize relevant facts, identify all provisions of the Agreement allegedly violated, describe the remedy requested and be filed on the form attached hereto as Appendix A. Within ten (10) days of the meeting, the grievant and the Association shall be provided the Supervisor's written response.

STEP 2:

If the grievance is not resolved in Step 1, the grievant may appeal the grievance to the superintendent or his/her designee within ten (10) days after receipt of the Step 1 answer. The superintendent shall

arrange with the grievant or Association representative for a meeting to take place within ten (10) days of the superintendent's receipt of the appeal. Within ten (10) days after the meeting, the grievant and the Association shall be provided with the Superintendent's or his/her designee's written response, including the reasons for the decision.

STEP 3

If the grievant is not satisfied with the disposition of the grievance at Step 2, the Association may submit the grievance within twenty (20) days to binding arbitration. The parties shall request that the American Arbitration Association submit to them a list of five (5) arbitrators along with qualifications. Either party may reject one list in its entirety and request that another list be submitted. The parties shall then proceed to alternately strike one name, with the party requesting arbitration striking first, until only one name remains. That individual shall serve as the arbitrator. The arbitrator so elected shall be jointly notified of his/her selection and requested to contact the parties with respect to all matters pertaining to the pending grievance. If the individual selected cannot serve, the parties shall request another list and repeat the striking process to select another arbitrator to serve.

If a demand for arbitration is not filed within twenty (20) days of the date of the Step 2 answer, then the grievance shall be considered withdrawn.

2.4

Authority of Arbitrator

The arbitrator shall have no right to alter, amend, modify, nullify, ignore, enlarge, add to, subtract from or change the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue submitted in writing and shall have no authority to make any decision on any other issue not submitted. The arbitrator shall be without power to make decisions contrary to, inconsistent with, or modifying applicable laws and regulations.

2.5

Bypassing Steps

If the Superintendent and the grievant mutually agree, any step of the grievance procedure may be bypassed.

2.6

Class Grievances

Class grievances involving one or more employees or one or more supervisors and grievances involving an administrator at the building level may be initially filed by the Association at Step 2.

2.7

Released Time

In the event an Employee is required to attend a Step 1 or Step 2 meeting as provided in Section 2.3 above, such individuals shall be released from their regular assignment without loss of pay or benefits. If an employee is required to attend an administrative hearing as provided in Step 3 of Section 2.3, said employee will only be released during the time that their participation in the grievance is required. The Association President or his/her designee, upon request, shall be released for the arbitration hearing without loss of pay or benefits. If the grievance is a Class Grievance, only one (1) member of the class shall be released for the entire proceedings as provided in Section 2.3.

2.8

Grievance Withdrawal

Grievances may be withdrawn by the grievant or the Association at any step of the grievance procedure without establishing a precedent. Grievances not appealed within the designated time limit shall preclude further appeal, provided there has been no mutual agreement of extension. If the employer's written decision has not been rendered within the time limit, the grievant shall be automatically advanced to the next step.

2.9

Arbitration Costs and Procedures

Each party shall bear the full cost for its representation in the arbitration. The fees and expenses of the arbitrator and the American Arbitration Association shall be shared equally by the parties.

If either party requests a transcript of the proceedings, that party shall bear the full cost for a transcript. The parties may agree to share the cost of all transcripts, including that furnished to the arbitrator. If only one party requests postponement of an arbitration hearing, that party shall bear the cost of such postponement

The Employee's prior year TRS creditable earnings were \$40,000.00. The Employees final year TRS creditable earnings will be \$42,400.00 (i.e., $\$40,000.00 \times 1.06 = \$42,400.00$).

Two Year Plan

If an eligible Employee complies with sub paragraphs A (1) and (2) prior to May 1 two (2) years prior to the year of retirement, the Employee will be removed from the salary schedule and for the final two (2) years of employment the Employee's TRS creditable earnings shall be increased by six percent (6%) over the Employee's TRS creditable earnings for the prior years of employment respectively.

Example: An Employee gives his/her irrevocable letter of retirement prior to May 1, 2009, stating he/she will retire at the end of the 2009-10 school year. The Employee's TRS creditable earnings for the 2007-08 school year were \$40,000.00 The Employee's TRS creditable earnings for the 2008-09 school year will be \$42,400.00 (i.e. $\$40,000.00 \times 1.06 = \$42,400.00$). The Employee's TRS creditable earnings for the 2009-2010 school year will be \$44,944.00 (i.e., $\$42,400.00 \times 1.06 = \$44,944.00$).

Three Year Plan

If an eligible Employee complies with sub paragraphs A (1) and (2) prior to May 1 three (3) years prior to the year of retirement, the Employee will be removed from the salary schedule and for the final three (3) years of employment the Employee's TRS creditable earnings shall be increased by six percent (6%) over the Employee's TRS creditable earnings for the prior years of employment respectively.

Example: An Employee gives his/her irrevocable letter of retirement prior to May 1, 2009, stating he/she will retire at the 2010-2011 school year. The Employee's TRS creditable earnings for the 2007-2008 school year were \$40,000.00. The Employee's TRS creditable earnings for the 2008-09 school year will be \$42,400.00 (i.e., $\$40,000.00 \times 1.06 = \$42,400.00$). The employee's TRS creditable earnings for the 2009-2010 school years will be \$44,944.00 (i.e. $\$42,400.00 \times 1.06 = \$44,944.00$). The Employee's TRS creditable earnings for the 2010-2011 school year will be \$47,640.64 (i.e., $\$44,944.00 \times 1.06 = \$47,640.64$).

C. Miscellaneous

1. If an eligible Employee complies with sub paragraphs a (1) and (2) and the Employee resigns from or is removed for cause from duties for which the Employee was compensated the previous year (for example, extended year or additional compensated duties) the Employee's TRS creditable earnings will be adjusted accordingly.

Example: The Employee's TRS creditable earnings from the 2008-2009 school year were \$43,000.0

of which \$3,000.00 was compensation for extended year duties during 2008-2009. Under the Employee's retirement plan, he/she would be scheduled to received \$45,580.00 TRS creditable earnings for the 2009-2010 school year (i.e., \$43,000.00 x 1.06=\$45,580.00). However, the need for the extended year work does not exist in 2009-2010 and thereafter, and the Employee does not perform those duties. The Employee's TRS creditable earning for the 2009-2010 school year will be \$42,400.00 (i.e. \$40,000.00 x 1.06=\$42,400.00) rather than \$45,580.00.

2. The Board, in its sole discretion, may allow the Employee to rescind his/her letter or retirement because of serious illness or life changing circumstances, provided the Employee returns to the Board any TRS creditable earnings paid to the Employee in excess of the amount the Employee would otherwise have received under the salary schedule for such year(s) in which the creditable earnings were paid.
3. If legislation of TRS regulations are enacted or adopted during the life of the agreement that result in a greater cost to the District than the costs generated by this agreement, then this section 11.12 shall cease to operate, and the parties shall meet as soon as practicable to negotiate another provision providing benefit to the teacher of equal cost to the District which does not result in increased cost to the District.
4. Nothing in this collective bargaining agreement shall require that any Employee who as availed of the benefits of Section 11.12 shall be assigned any duties or be paid compensation greater than 6% increase in TRS non-exempt creditable earnings one school year to the next.

11.13

Miscellaneous

- A. Once a retirement letter is submitted, the Teacher will not be assigned an additional extra duty not currently being performed without the consent of the Teacher.
- B. If after submitting an irrevocable letter of retirement, the Teacher resigns from or is removed from duties for which the Teacher was compensated the previous year (i.e., Additional Pay Schedule), the teacher's nonexempt TRS creditable earnings will be adjusted accordingly.

Example: The Teacher's nonexempt TRS creditable earnings from the 2008-09 school year were \$43,000.00, of which \$3,000.00 was compensation for coaching basketball in 2008-2009. Under the teacher's retirement plan, he/she would be scheduled to receive \$45,580.00 nonexempt TRS creditable earnings for the 2009-2010 school year (i.e., \$43,000.00 x 1.06=\$45,580.00). However, the Teacher resigns from his/her coaching position before the start of the 2009-2010 school year. The Teacher's nonexempt TRS creditable earnings for the 2009-2010 school year will be \$42,400.00 (i.e. \$40,000.00 x 1.06-\$42,400.00) rather than \$45,580.00.

- C. The Board, in its sole discretion, may allow the Teacher to rescind his/her letter of retirement because of serious illness or life changing circumstances, provided the Teacher returns to the Board any nonexempt TRS creditable earnings paid to the teacher in excess of the amount the teacher would otherwise have received under salary schedule for such year(s) in which the creditable earnings were paid.

- D. If legislation is enacted and/or TRS rules and regulations are adopted during the life of this agreement that result in a greater cost to the District than the costs generated by this agreement, the provisions relating to such benefits shall be reopened for negotiations.
