WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

**December 7, 2020**

We continue to make progress on Schoolcraft Community Schools' bond program! Here's an update.

## **Junior High (7/8 Grade Addition to High School)**

- We are currently tracking on schedule, on budget and within scope.
- See photos below of the progress on the addition.

## **New Elementary PreK-6 Building & 7/8 Gym**

- Round 2 of focus group meetings have been scheduled as we move further into the design development phase.
- The 7/8 competition gym will be located in the elementary PreK-6 building and is now part of that project.

## **Athletic Improvements**

- Design of the outdoor athletic improvements will begin after the educational spaces and gyms.

## **Communications**

We will continue to keep you informed about what's happening with the bond program through:

- Regular email updates
