

FFA Alumni Meetings

2019-2020

Any parent/guardian of an FFA member, past FFA member or anyone interested in agriculture is welcome to join our parent/alumni association. Our association serves as a booster, mentor, leadership club and provides a tie to FFA members in the Ag industry. Membership is free and voluntary. As our membership is shrinking, we need your help to keep this awesome organization thriving. Please help your Harvard community Ag program.

You do not need to be a parent/alumni FFA member to be apart of this association and you do not need to be an alumni member for your student to be in our FFA club.

All meetings are the third Monday of the month at **7:00 p.m. in Harvard High School's Ag Room.**

September 16

October 21

November 18

December 16 - Christmas Party

January - NO MEETING

February 17
