

Springdale Schools Device Protection Plan (SDPP)

Technology Fees

- Student(s) and their parent(s)/guardian(s) shall be liable for any and all costs (debts) incurred through the student's use of the computers or access to the Internet including penalties for copyright violations.
- As a condition of being issued an Electronic Device, all recipients of an SPS Electronic Device must adhere to all rules and requirements of the Springdale Public Schools Student Computing Device Acceptable Use Agreement (AUA)
- The cost of computer/ipad loss or breakage is the responsibility of the student.
- SPS will offer the optional Springdale Schools Device Protection Plan (SDPP). If desired, students pay an enrollment fee of \$20.00 by cash, check, or money order made payable to Springdale Public Schools before October 1 or two weeks after enrollment in school and upon receipt of Electronic Device. **SDPP does not erase the cost required to repair broken devices, it is used to offset that replacement part cost.**

Chromebook Replacement Part	With SDPP \$20 Annual Coverage			Without Annual Coverage
	1st incident	2nd incident	3rd +	All incidents
Computer	\$200	\$300	\$300	\$300

Changing cube or lightning cable	\$10	\$20	\$19 each piece	\$19 each piece

- With the \$20 SDPP annual coverage paid by October 1, example deductible costs are listed in Table 1. Parts costs subject to change with availability and market.
- If the Electronic Device is lost, stolen, damaged, or destroyed beyond repair during the time it is issued, the student and the student's parent/guardian will be responsible for the replacement cost. For purposes of this document:
 - the replacement cost is the actual cost to SPS at the time of replacement of a new Electronic Device in Springdale, Arkansas, at retail price.
 - the repair cost is the actual cost to SPS to have the Electronic Device fully repaired by a qualified SPS repair technician.
- The student may be issued a temporary Electronic Device for daily use until the assessed costs have been paid in full. The temporary device will be checked in and out daily until the assigned/issued device is repaired or replaced. Fees will be collected monthly and if the balance and/or payment is not made in full, the loaner device will be disabled.
- SPS reserves the right to decline to issue an Electronic Device if it determines, in its sole discretion, that the risk of loss or damage to the Electronic Device is unacceptable. The decision not to issue a replacement Electronic Device shall not excuse the student and parent/guardian from any fees associated with the loss, theft, or damage of any previously assigned/issued SPS Electronic Device.
- Seniors must pay all associated technology fees prior to having their diploma issued.
