

# AN EDUCATION **FOR GOOD**

## **SCHOLARSHIPS AND RESOURCES** *for your students*

You work hard to connect your juniors and seniors with the right colleges and resources—and Earlham College wants to help. That's why we've collected a number of digital resources that we hope you'll find useful as you guide students through the college search process.

**We're also excited to introduce a new scholarship from Earlham that will benefit your students: our Heartland Region Scholarship.** This scholarship, which is for \$2,000 each year for up to four years, is awarded to students who live within about 150 miles of Earlham. Your students are eligible, and there is no separate application needed for this scholarship—all they have to do is submit their Earlham application.
