The board seeks to establish a satisfactory working relationship with all governmental and private agencies having an interest in the operation of all public schools.

Approved: August 11, 2014

The board will seek to foster an atmosphere of cooperation between the schools and all community groups and organizations whose operation is affected by the activities of the schools.

Approved: August 11, 2014

The board will consider the establishment of programs sponsored jointly by the schools and community groups or organizations whenever, in the judgment of the board, such programs cannot be or should not be wholly under the control of the board.

Approved: August 11, 2014

The board seeks to establish a satisfactory working relationship and to open lines of communication with all governmental agencies having an interest in or control over the activities of the schools in the district.

Approved: August 11, 2014

The unlawful possession, use, or distribution of illicit drugs and alcohol by students or school employees on school premises or as a part of any school activity is prohibited. This policy, and any curriculum used in conjunction with it, shall be evaluated at least every other year using criteria developed by the superintendent and approved by the board. The board shall receive a report after each of these reviews is conducted. This policy is required by the 1989 amendments to the Drug Free Schools and Communities Act. P.L. 102-226.

Approved: August 11, 2014
