

NORTH LITTLE ROCK CATHOLIC ACADEMY
"Affordable Quality Catholic Education"

December 7, 2020

Dear family, friends, alumni, and partons,

Our Annual Day of Giving Fund is right around the corner. We are thankful for this time and hopeful for an opportunity to recuperate some of our losses. Like so many others, North Little Rock Catholic has suffered due to the pandemic- losing pre-K tuition last spring and all of our big fundraisers (Pantherfest, Talent Show, Fall Carnival, Draw Down, and Supper with Santa.)

This year we are expanding the donation window to include end of the year donations! We are taking donations now until February 1 in the school office or through Paypal on the School Website:
<https://www.nlrca.org/o/nlrca/page/donate-online--5>.

On February 2 at noon, our NCEA Giving Day portal opens up and will last until February 3 at noon. We will be able to follow it live and watch donations grow.

Our "Little School with a Big Heart" has touched so many lives. Please, give what you can and help. There is no donation too small, and all contributions are appreciated. If you are unable to give at this time, please consider adding us to your prayer list. Together we can pull through this trying time!

Many Gifts, One Nation
A Day of Giving to Catholic Schools
