Time Meeting called to order:

Objectives of Meeting:

1. Question? Who remembers when we vote positions in?
2. Request: 3rd & 4th grade water fountains. (see Exhibit 1)
3. Request: Title 1 Math k-4. Money for rewards/incentives. (see Exhibit 2)
4. Shirts for all school (800) to wear on Fridays? Build Bronc pride. (see Exhibit 3)
5. "The school community needs to start looking at adding another large piece of play equipment down on the lower playground. We have a larger population now and it will only continue to grow. The equipment down there is almost 20 years old. There is nothing wrong with it, we just need to add another piece. The equipment needs to be purchased and installed by the PTSA so then the school is released from a huge amount of liability. The PTSA purchased and installed with lots of volunteers the yellow equipment down there. So we need to have a conversation about it. Let me know if I can help. Staci Hedrick
6. PUNT TO NEXT MEETING: AG "I would really like to explore the purchase of flat screen TV's for both the intermediate and elementary lobbies alone with this would come the IPAD equipment to be able to download it to the TV. We would run slide shows of activities. I know we tossed this around last Spring.....I bet it would be around \$2000.00 for both schools".
 - Where would we find these TV's? **Any flat-screen TV will work.**
 - How much do you think they would cost? **Depends on the size/brand.**
 - Can all uploads be down via wireless internet between TV and IPAD? **The only way to do this would be through AppleTV (\$99) with a dedicated iPad (\$400+).**

The easiest and least expensive option would be to buy a flat-screen TV/DVD combo and run the display off of the DVD (<\$300).
Another option would be to have a dedicated computer for each display and run PowerPoint slide shows on the display (cost of display + approx. \$300 for the computer).
7. Open House table? 9/9 4:30-6. Are we recruiting? Setting up a table? Has this been successful in the past?
8. The assembly. What time? Teacher's have requested afternoon as the work on core in the am.
9. AP share correspondence (thank you cards)
