Dear Parent:

The Goodman-Armstrong Creek School District is partnering with the Marinette County Consolidated Public Libraries to register students for library cards that can be used at any of the Marinette County public libraries.

Here's how it will work:

1. Fill out the backside of this letter to register your child for a library card—one per child.
2. The School District will share the registration with the Public Library.
3. The Public Library will process the registration and mail the library card(s) to your home.

Things to know:

- Registration is optional.
- Registration for your child's first library card is free.
- Your child must be at least 5 years old to get a library card.
- Online ordering and curbside pickup are available at all of the Marinette County Public Library branches.
- If your child already has a library card from the Marinette County Public Libraries, he or she does not need to register for a new card.
- If you register for a library card, but your child already has a library card, the library will contact you to update or replace your child's existing card.
- Library cards for the Marinette County Public Libraries may be used at the Goodman-Dunbar, Niagara, or any of the public libraries in our InfoSoup network.
- Visit www.infosoup.org to search the library's catalog of books, audiobooks, movies, and music or to find free online library resources like eBooks, encyclopedias, and newspapers.

We hope that this partnership between the Goodman-Armstrong Creek School District and the Marinette County Consolidated Public Libraries will help our students find engaging books and useful resources to promote academic success and life-long learning. Please contact Mariel Carter or Lara Lakari at the Stephenson Public Library for more information.

Sincerely,

Dr. Jennifer Thiele, Director
Marinette County Consolidated Public Library Services
