

Extended COVID-19 Learning Plan

Version: Strict Adherence to Legislation

Reconfirmation Meeting

Required Every 30 Days After Initial Plan Approval

Agenda:

- Reconfirm how instruction is going to be delivered during the 20/21 school year
- Public comments from parents and/or guardians on the Extended Learning Plan
- Review weekly 2-way interaction rates

Reconfirmation Meeting for December

Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year:

(Recommendation: Explain in a narrative form any modifications to the original Extended Learning Plan)

To start the school year, all K-12 students will attend school with a hybrid model that has face-to-face instruction on Monday, Tuesday, Thursday, and Friday. Wednesday's will have students learning remotely to allow for deep cleaning for all district buildings, until further notice. Students will also have the option to receive instruction remotely through our MVP program. These students will receive the same content as our face-to-face students.

To address student and staff safety, K-8 students will remain in cohorts throughout the day. Middle School teachers will travel to each cohort throughout the day to limit student contact. The High School will run a block schedule with 3-4 classes per day to limit transitions and contact with students and staff.

Ovid-Elsie Area Schools curriculum for core academic areas is aligned to the Common Core State Standards. Over the past two years, the secondary teachers have engaged in professional learning to determine essential and supplemental standards to develop unit plans. This work has led to the development of new assessments that align with the rigor embedded in their essential standards. Our elementary curriculum will be delivered through our Journeys reading series and through Eureka Math. As teachers navigate the wider than usual range of competencies expected this fall, they will need to collaborate more within their departments and among grade levels to provide guidance to scaffold students learning progressions.

Changes for December:

Due, in part, to the Emergency Order by the Michigan Department of Health and Human Services, all K-12 instruction will be delivered 100% remotely starting Wednesday, November 18th, and remain in effect until Monday, January 11th. . All K-12 instruction will be delivered both in a synchronous and asynchronous manner.

To accommodate families with internet connectivity issues, each building will have internet labs open daily from 8:15 am -11:30 am. These labs will be monitored by non-teaching staff.

Foodservice will continue to provide students with breakfast and lunch.
