D. Adjustments to the Agenda

Hope Saucier asked to address the group. She expressed the following concerns about the 4.0 score:

- What is happening vs. what should be happening
- Health/PE mentioned
- Has to ask for 4.0 learning opportunities
- Told a 3 (or 92) is good enough
- Referenced 9th grade year
- Need clarity with the 4.0

There is improvement with the offering of 4.0's but more work still needs to be done. Another concern is class rank. It was requested we do not eliminate class rank.
