- c. Current Topics of Interest - District Staff offered the opportunity to entertain any questions members of the committee may have regarding current topics of interest posted to social media. Committee members shared what they had heard about current topics and District Staff shared how they thought members of the public could have their questions answered. AL shared that Social-emotional learning is also coming up as a concern. JF shared that he is looking forward to drumming up support for the District after he leaves the Board this month. AL asked what should be the role of a Board member in a social media platform as it relates to District matters. JF Respecting the chain of command as set out through hiring practices and organizational structure in place seems to be the most reliable way to engage. AF What are the repercussions for Board members engaging in social media regarding District matters? EM shared that Policy IMB is helpful in guiding us regarding controversial/sensitive issues.
- G. Other - JL Will the committee meet in June? EM Shared that there was a tentative item regarding data on the schedule for June and that no new data beyond the state of the schools would be synthesized by the June meeting as no June meeting needed.
- H. Adjournment - 6:55PM
