IV. Vision & Mission Creation

- Vision Creation Resources
 - [Resource #1](#)
 - [Resource #2](#)
 - [Sample Vision and Mission Statements](#)
- Considerations:
 - A definition of mission is purpose or reason for existing.
 - A mission statement, if it is truly a **sense of mission**, along with the core beliefs, and core values provide the boundaries in which staff and other stakeholders have agreed to work to achieve a shared vision. The mission is what we “do” as a school district to achieve our vision.
 - A dictionary definition of vision might be: An image of the future we seek to create.
 - A vision statement describes in clear, compelling, graphic, sensory terms the preferred future reality of what the school must become to help all students learn.

- A vision statement, if it is truly a **shared vision**, along with goals, gives focus to and guides the direction of the work that all stakeholders have committed to collectively.
- Process:
 - Identify stakeholder groups
 - Seek input from all stakeholder groups on:
 - Core Values
 - Desired Educational Outcomes
 - Desired Educational Experience
 - Cul and Categorize Responses From Stakeholders
 - Create Draft Shared Vision Statement
 - Share Draft or Drafts with Stakeholders & Solicit Feedback
 - Review Feedback and Revise Shared Vision Statement
 - Publish Shared Vision Statement
 - Use Finalized Vision Statement to Create District Mission Statement
 - Draft Mission Statement & Share w/Stakeholders for feedback
 - Review Feedback and Revise Mission Statement
 - Publish District Mission Statement
