

The 2020-2021 Testing Calendar below shows both state-required assessments and those assessments that are used to inform instructional decisions made by teachers. In the event that COVID-19 affects the manner in which we educate students in the coming year, the testing calendar may be modified. If those changes occur, school principals will be notified. Because students were not present during the fourth quarter of the 2019-2020 school year, the beginning-of-year assessments will be extremely important to determine how we can meet each student's educational needs. If you have any questions about assessment or the testing calendar, please contact Dr. Kelli Dougan, Director of Assessment, Research and Accountability at [kelli.dougan@fayar.net](mailto:kelli.dougan@fayar.net).

### High School Formative Assessment

For the 2020-2021 school year, FHS and ALLPS will use teacher-created formative assessments in lieu of Aspire Interims. This will allow teachers to have more detailed information on the skills that students missed during the 4th quarter of the 2019-2020 school year.

April 12 - 16	Grades 3-10	Hybrid and Virtual Students
