### **Autumn Severe:**

*"I have really enjoyed getting to know Autumn this year. She is one feisty girl!!! Since school began she has been to every zoom meeting. On zoom, she is focused and ready to learn. She brings the same dedication with her when she comes to school. Sometimes she gets discouraged, but she shows great perseverance by not giving up! I really appreciate how hard she has worked this school year."*

~ Mrs. A. Collins. Fourth Grade

### **Trevor Rhodes:**

*"Trevor Rhodes is my Student of the Week. Trevor was out of town this Thanksgiving, he was so responsible during his time away from home. Trevor made sure that he was logged onto Zoom every day, got all of his assignments turned in , and even logged on to Zoom in the afternoon to work on the things that he missed because he wasn't at school in person. Trevor is such a kind, responsible, determined, smart, and courageous student. He was new to our town last year and has done an impeccable job getting to know others and working hard daily. Trevor always has his assignments turned in on time and I never have to question if he will participate because he is always ready and willing. I am so happy that I get to be your teacher Trevor, keep up the fantastic work!"*

~ Mrs. B Collins, Fifth Grade
