Mission

The mission of Eisenhower High School is to promote: “**Integrity, Knowledge, and Excellence.**”

Integrity is developed through making conscientious decisions and by choosing to be responsible for one's actions. Students are encouraged to think about how one's decision directly reflects the consequences of one's actions.

Knowledge is the key to a strong foundation. Developing a desire within students to be lifelong learners is the goal of every educator of Eisenhower.

Excellence is something expected of all students. Each person has goals. The belief that those goals can be obtained through hard work and perseverance is modeled by all classroom teachers and staff.

Vision

As we SOAR into the future, the VISION of Eisenhower High School is to cultivate responsible, career-bound citizens who pursue goals through hard work and perseverance. Our students will have a strong academic foundation, be lifelong learners, and have the desire to foster a community that makes conscientious decisions, producing members that treat others with dignity, respect and kindness.

HISTORY/TRADITION OF EISENHOWER HIGH SCHOOL

Eisenhower High School initially contained 48 rooms and was built at a cost of \$1,778,000 on a sixty-acre campus. The building was opened in September, 1962, with an enrollment of 700 students in grades 7-10. The second phase of construction was a 1300 seat auditorium completed in May, 1964. This unit, with the latest in lighting and sound equipment, cost \$340,000. The third phase of construction occurred with the addition of 45 classrooms in the northwest wing. The building, finished in 1965, included an enclosed patio and housed over 1900 students. The fourth phase of construction added a new wing with twenty classrooms,

completed in 2007. A new cafeteria was constructed for the 2008-09 school year. The year 2022-23 finds approximately 1300 students enrolled in grades 9-12 and approximately 150 faculty and staff members.

Eisenhower High School is accredited by the Oklahoma State Department of Education.

STUDENT/PARENT & TEACHER CONFERENCES

Students having difficulties with school assignments are to see their teacher(s) during 9th hour for additional assistance. Arrange a time with the teacher prior to going in for the 9th hour. PARENTS SHOULD CALL OR EMAIL THE COUNSELORS TO MAKE AN APPOINTMENT TO SEE INDIVIDUAL TEACHERS.

GRADUATION REQUIREMENTS, GRADES, TRANSFERS

Graduation requirements can be found in the course catalog located on the district website. Students entering LPS from outside of the community must have transcripts sent to the Registrar at EHS to be evaluated for credit. Individual course grading policies will be set-out by the teacher of record in the course syllabus. Grades should be monitored by students and parents/guardians utilizing the Campus Portal APP. Assistance with the APP may be obtained in the Guidance office. Questions on early graduation, concurrent enrollment, Great Plains Technology Center, Gateway, and transferring between traditional and LVA need to be addressed to the student's counselor. Transfer between traditional and LVA WILL require a conference with the grade level principal. All transfers and withdrawals require the parent/guardian to directly contact the Registrar.

TESTING

Tests required for graduation and qualification for National Merit Scholars (PSAT) are completed during the student's **sophomore** and **junior** years.

- Pre-ACT ALL Sophomores – Usually in **September**
- ACT, Science and History ALL Juniors –**April**
- AP testing – **first two weeks in May**

Specific dates and times will be posted on the EHS website, class Google Classrooms and will be sent out via social media, email and text messages. It is the responsibility of the student to ensure that they arrive on time on the day of testing with a fully charged chromebook and no other electronic devices.

ATTENDANCE POLICY

STUDENTS ARE ONLY RELEASED FROM SCHOOL THROUGH THE FRONT OFFICE
A parent/guardian must show identification and be listed under primary household in IC to have a student released from school.

Regular attendance is required if students are to be successful. Therefore, students are expected to be in their **assigned** classroom when the bell rings. A student missing 20 minutes or more of a class period is considered absent. Students are **ONLY allowed to be marked DVAP by the school**. Parents/guardians may call in to verify an absence for the following reasons: temperature, vomiting, death in the immediate family, court appearances, doctor's appointments, and religious holidays for a practiced religion. **Appointments should be**

scheduled around the school day/year, and vacations are not an acceptable excuse for missing school. Notes for **doctor appointments** need to be turned in to the front office upon the day of return. Students/guardians are expected to monitor attendance through the **parent portal**, if they believe an error has been made they may contact the teacher to verify that a change is warranted.

A Parent/Guardian needs to notify the front office the day a student is absent from school. The front office opens at 7:15am. (580) 355-9144

TARDY POLICY

Students not in their assigned classroom before the bell rings are considered tardy. Only tardiness due to documented appointments are excused. Over three tardies to any class during a week or 3 tardies to a single class during a semester is considered excessive and the student may receive a disciplinary action.

MAKE-UP WORK

Students are responsible for making arrangements to make-up work either before the absence, the day of the absence through Google Classroom or immediately upon return. It is the student's responsibility to check Google Classroom and/or email their teacher concerning assigned work and/or questions. Work assigned prior to the absence is due the day the student returns. Students generally have the number of days absent plus one day in which to get work completed; if additional time is needed contact the teacher to make arrangements prior to the end of this time period. Long term assignments or assignments that were not available on Google Classroom may have different deadlines.

Students staying 9th hour to make-up work must remain with a teacher until the student leaves the building.

ACTIVITY ABSENCES

Students are allowed 10 activity absences for the year, not per semester. Students in multiple activities may request an additional 5 days from their assistant principal. It is the students responsibility to make arrangements with their teachers to make-up any work missed due to activity absences.

HALL PASSES

Hall passes will not be given out during the first and last 10 minutes of class or during 6th period. It is the **STUDENT'S RESPONSIBILITY** to request permission to leave the classroom and fill out the hall pass prior to leaving the room. Students need to use the restroom closest to the class. Excessive use of the hall pass may result in appropriate consequences. Hall passes may not be used to visit other classrooms.

ELECTRONIC DEVICE USAGE

The use of school provided devices and personal electronic devices (e.g. cell phones, apple watches, etc.) must comply with current board of education rules. Students abusing the privilege of the use of an electronic device (e.g. unauthorized video/pictures, unauthorized posting, cyber bullying, possession/distribution of pornography, etc.) will be restricted from utilizing school wifi, school devices and/or bringing personal devices to school. The following list of consequences is not intended to be in order of assignment.

The nature of the behavior will determine which consequence(s) are assigned.

NINTH (9TH) HOUR: Teachers may assign a student to 9th hour as a consequence of inappropriate classroom behavior.

IKE TIME: Building level detention is held from 2:30-4:00pm on Tuesdays in either the school library or commons area. Students will be notified of IKE Time by administration in the form of either an IKE Time slip or email. It is the student's responsibility to notify their grade level principal, in advance, if they are unable to attend and make arrangements for an alternative date or consequence. Students are required to either complete school work or read a book during IKE Time. Sleeping, talking, cell phone usage and failure to attend will result in ISD. Students may utilize the LATS bus to get home after IKE Time.

IN-SCHOOL DETENTION (ISD/HOPE): ISD provides separation from the main student body while still providing the student access to educational services and supervision by school staff. Students assigned to ISD must comply with all rules and procedures. Violations will result in the student being sent home and not receiving credit for that day. Missed days due to being sent home or absences must be made-up in ISD upon the students return to school.

Short-term Virtual: Previously termed short-term suspension, this consequence is used when a student cannot follow the rules in ISD, while administration is completing an investigation into an incident that happened on campus or at a school event, when a student has previously received ISD for the same/similar reason, or when the student's behavior warrants separation from the student body. *Students may NOT attend any school/district events during this time.*

Long-term Virtual: Student may be placed at LVA for disciplinary reasons including, but not limited to, possession of a weapons (up to one calendar year), selling of drugs or alcohol on campus, possession of drugs or alcohol (up to the end of the next semester), bullying/harassment (up to the end of the next semester), mutual assault/assault (minimum of 30 school days), and repeated disciplinary issues that cause significant disruption to the learning environment. *Students may NOT attend any school/district events during this time.*

Filing of charges: A student's parent/guardian may file charges on behalf of their child for any incident that qualifies (i.e. assault, theft, etc.) with the Lawton Public School's Police Department. Per Oklahoma State Law assault and/or aggression (verbal or physical) against school faculty and staff may result in the filing of charges.
