

READ LIKE A GOOD MAN

LIBRARY : FALL 2022 RECAP : VOLUME 1

**After reading
Tell Me a
Scary
Story—but not
too scary!**
by Carl Reiner,
2 & 3 grade wrote their
own scary stories (but
not too scary!)
After the stories were
complete, we turned
on the blacklight,
turned off the overhead
lights and read our
stories to the class.
Spooktacular fun!

The Gingerbread Pirates by Kristin Kladstrup
A Primary Class favorite!
We enjoyed creating our own gingerbread pirates!

WHE STAFF MAKES THE
LIBRARY A SUCCESS!

DIGITAL CITIZENSHIP

4 & 5 Grade Library Classes researched and discussed the different ways technology affects our lives and how to use technology safely.

Our unit culminated in researching the Woodland Hills top apps by staff and student, then researching the apps in a group project with a video summary. Unsurprisingly the top staff apps were Facebook and Weather.

Top student apps were TicToc, Youtube and Roblox (again, no surprise).
