## Community Service Form

Printed Name \_\_\_\_\_

Only recognized, established institutions and organizations are approved as sites for community service (i.e. non-profit organizations, schools, libraries, hospitals, nursing homes, churches, social service agency, environmental stewardship, community service groups, etc.) For ideas or approval please see Mrs. Stuck to get prior approval if volunteering does not fall in the pre-mentioned organizations. Remember, service that benefits you in any way will NOT count toward your hours. For example, if volunteering for an organization and the organization pays your group for volunteering, that is not benefiting you as an individual, the hours count. If you are volunteering to watch children and they pay you as an individual directly, this does NOT count.

For the 2017-18 school year, all NHS members must complete a total of 5 community service hours by the end of first semester and 10 additional hours by the end of the second semester. The following form must be filled out and signed by Mrs. Stuck before the end of the second semester, for seniors, and before Lancer Leap ends for all others, to remain in good standing as an NHS member.
