

Edgewood City Schools
Bullying and Harassment Report
Reported by school and semester for 2021-22

The legal definition of bullying, harassment, and intimidation is:

**“Any intentional written, verbal, graphic or physical act that a student or group of students exhibited toward another particular student more than once and the behavior both: Causes mental or physical harm to the other student; and
is sufficiently severe, persistent or pervasive that it created an intimidating, threatening or abusive educational environment for the other student.”**
ORC 3313.666
