

ECSD Preschool Overview:

- The Edgewood School District operates an AM and PM preschool classroom at the Edgewood Early Childhood Center. Classes run Monday thru Friday. Transportation to and from preschool is **not** provided by the school district. Preschool tuition is \$250 a month due between the 15th-30th of each month prior to the start of the next month.

To qualify for a preschool tuition spot:

- Residents of the Edgewood City School District will be given first consideration.
- The child must be age three by 8/1/2023.
- The child must be toilet trained at the entrance date.
- The completed enrollment packet and first month's tuition (\$280) payment must be submitted by April 28th, 2023. This covers tuition for August and September, as well as school fees (a one time \$30 fee)..
- If first month's tuition and registration are not received by April 28th, the student will be removed from a classroom spot and placed at the end of the waitlist.

Updated Application Process for Preschool:

- Given the high interest in Edgewood's preschool program as well as limited availability due to updated preschool rules set forth by the state of Ohio, access to the program by tuition-paying families will be conducted through a lottery system and subsequent waitlist maintained by the Preschool Coordinator. Students currently enrolled in the Edgewood preschool program will be given priority registration.
- During the scheduled lottery selection times, student names will be drawn to fill openings created by preschoolers leaving the program. After all openings are filled, student names will continue to be drawn in order to create a waitlist. These lists will be used the rest of the school year to identify preschoolers to fill preschool spots that open up during the year.
- There is an informational parent meeting scheduled for **Tuesday, March 21st, at EECC at 6 PM**. Please plan to attend!
- We will begin accepting applications for the 2023-2024 school year on **Wednesday, March 22nd**. As a reminder, enrollment of new students for the 2023-2024 school year will be done with a lottery. A link to the application will be posted on the District Website, as well as through District push notifications. **Applications must be completed by April 5, 2023.**
- **The lottery will be held on April 6, 2023.** Please complete one application per child. You will receive a phone call and/or email after the lottery informing you of your child's placement either in a classroom or on the waitlist. For those who are placed in a classroom, you will receive additional information on how to complete the registration process after you have confirmed your child's placement.
