

PARENTS - Please check meal account balance over the remaining weeks of this school year.

Year end positive balances can be used to pay any outstanding fees or be transferred to a sibling account.

Otherwise any remaining positive funds on the account will carryover into the 2023-24 school year.

Graduating students with a positive balance of \$10 or more can request a refund. Check sent by Treasurer's department.

All returning students with a negative \$15.00 balance or more at the end of the 2022-23 school year will have that balance moved to their student fee account for payment.
