NJGPA Overview (1 of 2)

- Statute requires the State graduation proficiency assessment to **administered to all grade 11 students**. (N.J.S.A. 18A:7C-6)

- NJGPA is designed to measure the extent to which students are graduation ready in English Language Arts (ELA) and Mathematics.

- Graduation readiness is reported separately for each content component.

- The ELA component is aligned to the grade 10 standards.

- The Mathematics component is aligned to Algebra I and Geometry standards.

NJGPA Overview (2 of 2)

- On May 3, 2023, the New Jersey State Board of Education adopted the proficiency level cut score for the English language Arts (ELA) and mathematics components of the NJGPA, as well as the menu of alternative assessments and aligned cut scores.

- Students who take but do not meet the minimum required score on each component of the assessment will have the opportunity to receive additional supports and may take the following steps:

  - Retake the ELA and/or mathematics components of the New Jersey Graduation Proficiency Assessment in the following summer or fall;

  - Meet a designated cut score from the menu of substitute competency tests; or

  - Complete a portfolio appeal.

Subgroups – Percent Graduation Ready ELA

Notable Achievements

- Growth Mindset!

  - Substantial growth across subgroups from 2022-2023 in ELA

  - Closing the gap of "Graduation Ready" students in Math when compared to the State average (about 9 students away from exceeded the average).

- Exceeding the State Average in ELA

  - Kudos to the English department for their efforts.

Intervention Strategies

- Master Schedule

  - Allows for more "time on task" and a deeper level of engagement.

  - Implementation of additional support classes.

- Academic Accountability

  - Students are enrolled in classes based on their academic proficiency and not grade level.
