Records for each child participating in a home school program must be kept on a permanent basis by the parent who is overseeing the home school program. The records must include, but are not limited to, attendance, test and evaluation results, and immunization records as required by C.R.S sections 25-4-901, 25-4-902, and 25-4-903. The records must be produced and provided to the school district that received the written notification, not the state of Colorado, at the school district's request.

_____ [Initial Here] I agree to maintain a portfolio of materials that demonstrate proper educational instruction provided to the child(ren) in the event that the School District requests such information.

Students that are participating in a home school program must have academic progress evaluated in grades 3, 5, 7, 9, and 11. Students can take a nationally standardized achievement test or a qualified person, as described in C.R.S. 22-33-104.5(3)(f), can be selected by the parent to evaluate the student's academic progress. The results of the evaluation, whether by assessment or qualified person, must be submitted to the school district that received the written notification.

_____ [Initial Here] I understand that I must submit my child's assessment results to Centennial School District R-1 in grades 3, 5, 7, 9, and 11. These assessment results must be submitted prior to May 31 of that year.

Home school is considered nonpublic and is not regulated by the state of Colorado. The parent who oversees the home school program is taking on the responsibility of obtaining books, supplies, tests, and is responsible for any costs associated. Because home schooling is considered nonpublic education, home school is not accredited by the Colorado Department of Education or by a local school district.

I certify that I am the legal parent/guardian of the child(ren) and hereby declare my intent to homeschool said child(ren). I understand my homeschooling responsibilities and will annually submit my intent to homeschool to the Centennial School District R-1.
