

Hawk Talk

For the week of
May 16, 2022

Hello Hawks,

Here we are in mid-May already. The teachers and staff here have been doing our best to maintain an academic focus to prepare all students for entering the next grade level. Although this is the time of the year when we look forward to the end of the year events that we are adding to our calendars, we still have many instructional days left. Let's finish strong!
