Hermon Middle School Parent(s)/Guardian(s),

It is with great pleasure that I will be the Hermon Middle School principal moving forward. As a town resident, it is my hope to develop a short-term and long-term plan to ensure the students of Hermon Middle School are supported academically, socially, and emotionally. As a parent, you deserve a school that is responsive to your and your student's needs; it is my goal to provide that.

My office's wall will state, "What is best for the students of Hermon Middle School?". That is why I am here; all of my decisions and the school's collective decisions are based on that mantra. Every student deserves an excellent education in a safe, responsive environment, which is exactly what I will strive to provide for all students at HMS.

When not at Hermon Middle School, I love to spend time with my wife and kids. It is not uncommon to find me at the playground, local pool, bowling, or out for a leisurely walk. My family is my life, and I believe that should be true for everyone. We must take care of our loved ones before we can care for anyone else.

Throughout the summer, I will be doing two or three days a week at Hermon as I work to do a smooth transition for both my former school and HMS. Please feel free to email me at [zack.freeman@schools.hermon.net](mailto:zack.freeman@schools.hermon.net) if you have questions or concerns; I would love to set up a time to meet and get acquainted.

Best regards,

  
Zackary Freeman  
Principal
