These regulations are being instituted by Logan View Public Schools in accordance with the capacity limits and requirements of the governor's Directed Health Measures and in collaboration with Three Rivers Public Health Department. Logan View Public Schools will continually re-examine these regulations at the conclusions of the stated periods of effect. Logan View Public Schools is implementing these regulations with the intent of continuously providing our student-athletes with the opportunities that they deserve and have earned to compete and to perform in an activity that they enjoy. Additionally, these measures are being instituted to ensure that families are provided a safe and enjoyable environment in which to watch their children compete. Logan View Public Schools thanks you in advance for your cooperation.
