

Frequently Asked Questions - Yearbook 2021

Question 1 (All students and faculty)- Now that the school is closed, where do we pay for the yearbook?

Answer: The Studio Balfour company has just set up today an online payment scheme for the DHS yearbook purchase worth \$70. (*Note: You **must** pay in full using debit or credit card. It doesn't accept downpayment*). Just click on this link - [Douglas High School - Class Rings, Yearbooks and Graduation | Balfour](#). Scroll down to see Student Essentials (Yearbook Products and Ads) and click *Order Now*. Fill out the needed information. Then, click *Shop for this Student* to add your order to the cart and complete the payment process. **Deadline is on January 7, 2021.**

QUESTION 2 (All students and faculty)- Since Picture Day is postponed, how can we take our individual photo and where do we submit it?

Answers: A. Take a good photo of yourself using your phone, dslr cameras or by a hired photographer. It can be taken from your home, indoor or outdoor backgrounds or in-studio photography. Make sure that you dress and pose appropriately facing the camera. (See the attached sample yearbook staff photos for Seniors and lower grade levels). For Seniors, you **may** use a graduation gown with/without cap or just a formal dress. (*Gowns and caps are not required*). For Freshmen, Sophomores and Juniors, you can wear appropriate and casual clothes.

B. We will be using the **EzPix app** of the Studio Balfour Company for you to upload your photos. We already have the list and data of the students and faculty and staff. We're still setting up this new program. So we'll just give some updates next week. What is important right now is for you to take your individual photo. Uploading it will be our next step. **Deadline of taking your photos will be on December 23rd.**

QUESTION 3 (For interested Seniors only)- Where can we order our Graduation cap and gown?

Answer: This is beyond the scope and functions of the yearbook staff but we might help you with the details. Go to this official link--[home - Rembrandt Grad](#). Click the search button and type Cap and Gown. You can choose different packages from cheapest to most expensive. But the practical choice on the list would be **Package C** (Cap & Gown Unit, Souvenir tassel, 2021 graduation key chain, 2021 pen) worth \$71 plus tax. Then go through the process of filling out your information and payment. If you order this December, you will receive your personalized graduation cap and gown by March or April.

Hint: If you have siblings, cousins or relatives that graduated year/s ago at DHS, you can still use, borrow or buy out their graduation stuff, right?
