

HUMAN RESOURCES**STATEMENT OF ETHICS**

Ohio County Schools' professionals are committed to students, the profession, the school, the school system, and the community. The well being of students is the foundation for all decision making and instructional, discipline, and administrative practices. Therefore, in accordance with Ohio County Schools' Mission, professionals subscribe to the following Statement of Ethics.

I. The professional educator:

- A. Respects with word and deed the dignity of students, colleagues, and parents/guardians.
- B. Shares professional knowledge, experiences, resources, and insights with colleagues and aspiring educators.
- C. Respects the confidential, privileged relationship with students, colleagues, and parents/guardians.
- D. Maintains the highest level of professional competence through intellectual pursuit and lifelong learning.
