

HUMAN RESOURCE**TRANSPORTATION EMPLOYEES ALCOHOL AND CONTROLLED SUBSTANCE POLICY**

The Ohio County Board of Education has a vital interest in maintaining a safe, healthy and efficient work environment for its employees. Likewise, the Ohio County Board of Education is committed to students, parents, and the general public to operate its facilities safely and prudently.

Consistent with these interests and according to the regulations promulgated by the United States Department of Transportation, Federal Highway Administration, pursuant to the Omnibus Transportation Employee Testing Act of 1991, the Ohio County Board of Education has adopted and implemented this Transportation Employees Alcohol and Controlled Substance Policy and Regulation. This Policy and Regulation create obligations and requirements over and above those articulated by the Ohio County Board of Education's Drug Free Workplace Policy, and does not supersede or nullify any provision of the Ohio County Board of Education's Drug Free Workplace Policy.
