

FISCAL MANAGEMENT**REIMBURSEMENTS**

It shall be the policy of the Ohio County Board of Education to improve and enrich the quality of its staff by encouraging continuing education and attendance at curriculum oriented conferences. The Board further recognizes that state and federal laws, policies and regulations mandate that teachers complete courses to remain certified or to meet these applicable requirements. Therefore, the Board acknowledges the need for tuition reimbursement for teachers when appropriate.

In addition, the Board recognizes the need for employees to travel and incur expenses on behalf of the county and in performance of regular duties. Such expenses on behalf of the county will be paid with budgetary considerations.
