

FISCAL MANAGEMENT

CHILD NUTRITION PROGRAM BILLING AND COLLECTION

Ohio County Schools permits students and staff members to charge meals at all schools in the county. Breakfasts and lunches are available at all schools to all students daily. Visitors that eat meals in Ohio County Schools must pay cash for meals at the Point of Service.

A fair and equitable system for charging meals has been established in accordance with State Board of Education Policy 4320, Policies of Operation Manual for Child Nutrition Programs and Provisions §126-85-117. Ohio County Schools offers free breakfasts and lunches to all students in our schools as part of the USDA Community Eligibility Provision (CEP) Program. No new meal charges will be incurred by students at schools that continue to participate in the CEP Program of USDA.
