Student Shout Outs!

Shout out to Cyrus Y. this week! He is always smiling, having a good time, and is responsible. I love how he wants to push himself in learning and tinker with 3d printing. Thanks for being a great kid!

Shout out to Rowan this week. He makes sure he always greets the staff, asks how they are doing, and I believe genuinely cares about the conversations. He has a witty sense of humor and I often leave our conversations laughing or smiling. Thank you for making our days better, Rowan!

Shout out Charlie this week. He heard my message and wanted to step up and run for office. He is a very intelligent kid, and very capable in all he does. He is courteous with his conversations with me and I appreciate how much he strives to be better. Thanks!

Lastly, shout out to Kayleanna S. this week! She has been involved with sports, worked hard in classes, participated in ASB, and is in our FFA. That is a large amount of involvement and she handles it well! She is also very kind and respectful to us as a staff. Thanks for doing greatness this year!

Focus of the Week

If you want change, be involved. Don't just critique from the back.

Student News

We have a lot of after school events next week and we couldn't be more excited. Our seniors are being recognized on Tuesday for their Senior Rec night! Band is performing in our gym on Thursday and Drama is putting on their performance on Friday night! Before the drama production we will be serving hotdogs for free to all that are in attendance. **Remember, adults do have to pay to get into the drama performance.**

On Friday we will be holding our school-wide awards assembly in the morning. School times are normal, but the bells will use a two hour delay schedule as the first two hours will be the awards assembly. Look forward to handing out awards and activity letters.

Great job seniors with your Senior Capstone speeches. Was very proud watching you all present about your future. Remember seniors, you need to send your mock-up for your wall painting to be approved and printed to Cathy at cglazier@cal.k12.or.us

As always, have any questions or concerns, reach out.
