DEDICATION

DEDICATION

The Annual Staff of 1949 wishes to dedicate this annual to all who have graduated from Holcombe High School.

Since the first class graduated in 1917, we believed it would be interesting to relate facts pertinent to their whereabouts, occupation, and families. Many have stayed right in the vicinity of Holcombe while others have wandered far out into the world to seek their fortunes. We hope this will act as a sort of "newspaper" and "report" on old classmates.

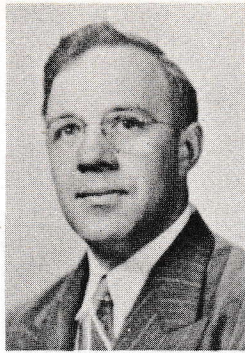

The old school wishes to extend its sincere wishes for happiness and success to all of its Alumni.

CLASS PROPHECY

Now when I had a two weeks vacation for the year 1959 I took my plane for a spin around the country to see my former classmates of the year 1949.

The first of my trip took me from Chicago to my old home town of Holcombe. Arriving there early in the evening I found a big 1959 Buick waiting for me. I walked over to see who was driving it and found none other than that old pal of mine, David Tonnancour. We went out to his comfortable home where he had settled with his wife.

When I got ready to leave, David decided to go along so we left for New York. When we arrived at La Guardia Field, we called for a taxi. We got in and we were speeding through town when I noticed that the driver was Rex Powers. He let us off down town at a luxurious restaurant for our supper. We ordered from a short, good looking lady with glasses who was our old friend, Jean LaBelle.

We then went to the Waldorf Hotel for the night. There to our great surprise we found Jean Taylor and her husband, now owner of the hotel. We had a good nights sleep in a bed fit for a king.

Next morning we left for Florida to see Harriet Haase and Harriet Guthman. We landed and left for a big plantation out in the country where Harriet Guthman had settled with her husband.

After a long visit with Harriet, who was looking very well, we went to see Harriet Haase whom we had heard just landed from another trip as stewardess on a transatlantic plane flying to Portugal. She told us that some of our classmates were in Hollywood, but as we had only three days left, we decided not to go and see them. In the evening we went to a movie entitled "Case of the Sleep-Walker's Daughter." When we had settled down to what we thought would probably be a boring evening, the stars were flashed on the screen and to our great surprise Alice Seeley was starring as the Daughter and Earl Flater as the Sleep-Walker. It was a very good movie after all, and Alice did break Earl of his habit of sleep-walking.

Next day we started back to good old Wisconsin, for the trip would take a couple days. We landed at Memphis, Tennessee to fuel up and rest over night. We were listening to the radio for relaxation when we heard a familiar voice and were astonished to hear the announcer announce the singer as Virginia Anderson who was star of her own radio show.

We left for Wisconsin early in the morning and landed at Madison early in the forenoon. We went into a restaurant to find Isabelle Stumpner and Lois Steinbring eating an early lunch. We asked them what they were doing and they told us they were secretaries in the capitol.

We got back to Holcombe just in time to see Delores Dressel going home from her job as teacher at Holcombe High School.

I let David off and headed back to Chicago, entirely satisfied with my vacation.

JUNIOR CLASS HISTORY

President	Roger Ambrose
Vice-President	Katherine Paulsen
Secretary	Luella Gygi
Treasurer	Regina Anders
Class Advisor	Mr. Lamberg

In the early fall of 1947 thirty three ambitious Freshmen boarded the "Slow-Boat to Education" via Holcombe High School.

Our first party aboard was our initiation party sponsored by the Sophomores. After that we were full fledged members of the crew.

We journeyed on into our Sophomore year. We lost Eugene Bell to Cadott High, Walter Broom to Watertown, Wanda Holloway to Bruce, and Patricia Fitzpatrick to Cornell High. Wilfred Bainter, who joined the Army, went adrift. Wanda Braden withdrew. Douglas Collins from Jefferson High and Lucille Schatz from New Richmond joined us.

We gave the incoming Freshmen an initiation party and once again settled down for another year of work.

When we again boarded our boat, the tide had carried away Douglas Collins to Jefferson, and Carol Kelly to Gilman. Floyd Logan and Ronald Johnson withdrew, but their places were filled by Gylda Stienbring from Chippewa Falls, Watertown again lost Walter Broom to us, and Cornell again lost Patricia Fitzpatrick to our crew of Jolly Juniors.

The highlights of this trip were the Junior Class Play "Tumblin' Creek" and the prom done in the "Mexican Way."

This year we have three Junior girls who are cheerleaders, Ruby McEathron, Phyllis Tonnancour, and Patricia Rasmussen. Ronald Stevens, Alfred Lehman, Walter Broom, Delmar Bainter, Roy Stevens, LeRoy Cheevers, and Roger Ambrose are on the basketball team. All of these and Dick Cole are on the baseball team.

Luella Gygi, Katherine Paulsen, Regina Anders, Joan LaBelle, Elaine Stauffer, and Ruby McEathron are in the orchestra.

Ruby McEathron, Katherine Paulsen, Elaine Stauffer, and Lucille Schatz are in Forensics.

Joan LaBelle, Elaine Stauffer, Regina Anders, Katherine Paulsen, and Lucille Schatz are in Glee Club.

We have enjoyed these last three years and hope to all stay together for our last year, the final Senior year.

In September, 1947 fourteen Freshmen started Holcombe High. We all took initiation like good sports. We Freshmen didn't know each other and hardly anyone in school.

William Mitchell, Robert Chodan, and Arlene Brunnund entered after school had started. William came from Oneida, Robert from Tony where he had started, and Arlene came from Stanley.

We all left school in the spring hoping to see each other when school started. In September fifteen students came back to get more book learning. John Adams moved to Montana just before Freshmen initiation.

Just after school was nicely started, Donald Medved and his sister, Yvonne, came to school. They had gone to Cadott during their Freshmen year. Jack Rank came from Cornell High School just before Christmas. There is now a total of seventeen in our class.

Several Sophomores are taking part in school activities. Yvonne Medved is a cheerleader. Lillian Warwich is taking forensics. There is no one from our class in orchestra this year but next year Betty Larson expects to be in orchestra. Those who belong to glee club are Sylvia Pooler, Betty Larson, and Yvonne Medved. Bob Chodan is on the basketball team this year. Last year Betty Svoma was on the annual staff. Lillian Warwich is on the staff this year as a class reporter. Betty Svoma and Margaret Black are on the Student Static Staff this year.

This concludes the news of 1948-49, and we are all hoping to see each other back in school to begin our Junior year.

FRESHMEN HISTORY

Class Officers

President	Evelyn Kron
Vice-President	Joanne Staudacher
Secretary	Clifford Taylor
Treasurer	Joanne Walters

We, the freshmen class of 1948-49 enrolled the largest class in the history of "Holcombe High" with a total of thirty eight members. During the first semester Edna Zaruba joined our class to make us number thirty nine. Robert White, Marlan Larson, and Raymond Shackleton have withdrawn. Edna Zaruba, Shirley Larson, and Clyde Wynia withdrew to attend other schools. This left us thirty three members.

Those who attended grade school in Holcombe were Faye Bainter, Madalene Stauffer, Grace Beighley, Arlene Walsvik, Rosalie Lussmyer, Lora Birch, Jean Dixon, Joanne Staudacher, Joanne Walters, Vivian Byers, Evelyn Kron, Merle Byers, Lloyd JuVette, Robert Schwoch, William Schwoch, and Raymond Shackleton. Those attending other schools are LaVerne Willmarth, LaVerne Christensen, Clifford Taylor, Reginald Paus, and Dale Collins from Birch Creek; Richard LaRush and Alice Luethi from Flambeau; Edwin Powers from Sheldon; Betty Hemminger from Enterprize; Charlotte Cormican and Betty Buswell from Mayflower; Joyce Opegard and Carol Gilson from Willard Center; Neil Taylor from Highbanks; Shirley Larson from Ruby; Clyde Wynia from Oskaloosa, Iowa; and Jack McEathron and Marlan Larson from LaRose.

We were welcomed into good old H.H.S. with an initiation party put on by the Sophomores. We were all dressed in very comical costumes during the day, and we had to stay in costumes in the evening.

The freshmen return party was well attended. We played "Truth or Consequences," danced, and ate lunch.

The remaining thirty-three freshmen hope to stick together until we graduate, the class of 1952.

W.I.A.A. TOURNAMENT OUTCOME

The second night of the tournament at Cornell the Holcombe Chieftains ran up against Tony. The outcome was very well for the Chieftains who came home with a 39 to 19 win. The Holcombe gang had little trouble with their Tony rivals, having a 20 to 8 lead at the half. David Tonnancour was high for the Chieftains with 15 points and Roger Ambrose second with 9 points.

The third night at the Tournament put Holcombe out of the run by a defeat by Glen Flora. It was a hard game and Holcombe had an 8 to 4 lead at the first quarter but could not hold the lead for the whole game. Earl Flater was high for Holcombe with 10 points and David Tonnancour with 7 points. Welton led the Glen Flora team with 9 points to bring their team to a 28 to 26 victory.

BASEBALL

The Flambeauand Conference League was organized to originally play basketball, but the second year it was decided to include baseball in its regular course of athletic contests, so Hawkins, Tony, Glen Flora, Hannibal, and Holcombe participate in league games every season. This is the second year of league baseball.

Last fall when the first half of the season ended, the Holcombe slate stood as follows:

Sept. 14

Holcombe 5-----Hawkins 6

Sept. 17

Holcombe 6-----Glen Flora 2

Oct. 1

Holcombe 5-----Hannibal 11

Oct. 5

Holcombe 6-----Tony 9

The league will play the last half of their season this spring, and Weyerhauser, who is not in the baseball league because they play football in the fall, will probably be included in the spring round of games.
