MEETING NOTES

Some of our plans include a Goodwill Feast, FFA Week Teacher Breakfast, Elementary Mentoring Program, and roadside clean-up. We are trying to do these fun activities but with the ongoing pandemic they are not set in stone.

On September 29, we met in the cafeteria. We split up into different groups to discuss goals and ideas for upcoming events that the chapter wants to do. At the end we enjoyed an ice cream bar.

Your 2020-2021 FFA Officers

The Historian: Nathan Dice

Nathan Dice is the son of Cheryl & Jarrod Dice. This year he plans to compete in Dairy Foods and Livestock Judging. He is also looking forward to driving his tractor to school during FFA week. The reason

Nathan loves FFA is because you get to meet new people. His advice to other members is to go to every meeting and do as much as possible. His favorite FFA thing to do was going ice skating for our January meeting. Nathan's hero is his dad because he is the hardest worker Nathan knows. Finally, Nathan is proud to be an FFA officer because he wants to represent Bismarck FFA and help make it the best it can possibly be.

MINUTES OF THE MEETING

BY AUDREY TAYLOR

Tuesday, November 24, 2020, we had our 4th chapter meeting of the school year. Since we could not meet in person we did a google meet. For our first virtual meeting it went very well. We did the opening ceremonies, talked about fruit sale pickup, and played a trivia game with teams. The 1st place individual was Murphy McCool.

The Secretary: Landon Potter

Written by Audrey Taylor

Landon Potter is the son of Amanda McDonald and Josh Potter. His favorite FFA events are National Convention and the SAE events. He is proud to be an FFA officer because it's an opportunity to lead people. His hero is his dad. He is one of his best friends and someone Landon can always look up to. His dad showed him how to do things around the farm and in life whether it be wrenching on equipment or talking about his hockey games. The reason why he loves FFA is because he gets to meet new people.
