

It's fundraiser time! Today we are kicking off our sale to raise funds for school supplies, books, and student incentives/rewards! We have packets to hand out with order forms to collect customer orders. If you have customers that would prefer to order online and have it shipped directly to them, then instructions are below! Customers can shop and pay with a credit/debit card online. There are items that can be shipped anywhere in the US. We have set a goal of selling 10 items per seller to help us reach our group goal.
