Commerce Hosts Eastern Region Conference

*TSA State Qualifiers:
Chase, Maddie, Lexi*

On March 1st, the OK TSA Eastern Region Conference was hosted by the Commerce TSA at NEO. 248 students competed in 38 events (18 per level). Commerce had 41 members attend and compete between the middle school chapter and the high school chapter. Several placed in the top 3 in one of their events qualifying them to compete at the state level. Commerce also had several places in the top 10. A lot of work goes into the competitions, the campaigning, and the conference in general. We could not do it without the help of our community, especially our volunteers who judge events for us, our host facility NEO, Pitsco Education who runs out dragster races for us, CareerTech, and of course our advisors. Thank you! You are appreciated more than you know.

Women's History Month originated in 1987 and takes place throughout March. It is meant to celebrate the contributions that women have given to society throughout the years. The goal of Women's History Month is to highlight the achievements and contributions made by a variety of women in a variety of fields: filmmakers, artists, engineers, and pioneers of all kinds. The theme this year is: "Celebrating Women Who Tell Our Stories."

5th hour Creative Writing Limericks

I once had a friend that was funny
He joked around and made money
He made people laugh
By talkin ruff-raff
While his wife just smiled and said
'Honey'

I'm Julian C. from Miami
I went to L.A. for a Grammy
With my Indian maw
And my African paw
We walked the red carpet
to meet Sammy

There once were two dogs
named Daisy
Having the same name
made me crazy
They were both overweight
which determined their fate
To lay around all day and be
lazy.

*My favorite food is
sushi,
But don't eat it with a
smoothie,
If you do, it'll be nasty,
Your voice will be
raspy,
Or it might even make
you feel groovy.*

There once was a father
named John
Who had to stop at a salon
Son Andrew's hair was red
But none on ol' dad's head
So he left and just put a
hat on

I had a fifth hour who
wrote
But often they didn't,
make note
They just wasted time
Not even making a rhyme
But ask them, they think
they're the G.O.A.T.

Hello, my last name is
Ware
Some people really like
my hair
It's dark and it's curly
To fix it, I get up early
I won't cut it, unless on
a dare
