TechEd Traps Leprechauns

Last month the Tech Ed students created Leprechaun traps as a problem-solving activity. Students designed and built a leprechaun trap using their knowledge of engineering principles and the engineering design process. They were only allowed to use the following items:

- 4 tongue depressors
- 1 bendy straw
- 18 in. of masking tape
- 18 in. of dental floss
- 1 piece of cardstock
- 2 pieces of printer paper

Employees and Students of the Month for 2022-23

A Note From Your Principal

Looking back over the 2022-23 school year, I am amazed at how much the student body of CMS has achieved, changed, and grown. Through the challenges and triumphs, each of us has become stronger and better equipped to face the next step in our journey. Thank you to the students and staff of CMS for making this a great year. Have a safe and wonderful summer. I look forward to seeing everyone back in August.

Have an
awesome
Summer!
