Dear Commerce Parents and Staff:

This morning, three of our school vehicles were involved in an accident in Oklahoma City. No students were traveling; however, one school staff member has been transferred for medical care.

Staff members were taking four buses and a suburban for annual inspections in OKC when the crash occurred on the Turner Turnpike. Three CPS vehicles were involved, and – as you may see on the news – the two buses caught on fire following the accident. The situation is still under investigation, and we will provide you with additional information when it is available.

Staff and student safety is our number one priority. In Commerce, we are a family, and we take care of one another. I ask that you please keep the staff members involved in your thoughts and prayers.

Thank you for your support.

Sincerely,
Steve Moss
Superintendent
