

Greetings 5th Grade Families,

Please see the very important information below. If you are a family interested in completing the ski pass application process you must also include an attendance form that you can only get from the West Valley office. This is proof of school year and grade. Your 5th grader can stop by and get the form printed out or you can call and we can send the form home with your student.

In partnership with the Flathead Valley Ski Education Foundation and the Whitefish Community Foundation, The Whitefish Mountain Resort is happy to announce that we are expanding our 5th grade ski free program to all 5th graders in Flathead County. Please note there is an application process as well as a \$25 processing fee. Please fill this application out with your student. Your 5th grade student needs to be prepared to answer a couple questions on the application about why they love winter and what it means to be safe in the winter. If you have already purchased a Whitefish Mountain Resort pass for your 5th grade student there is a place on the application where you can indicate that so we can refund your money for that purchase minus the \$25 application fee.

Link to the application:

Have a great winter!
