"Educating Our Future"

December 15, 2020

Dear LeFlore Parents/Students:

December 17 will mark the end of our first semester of the 20-21 school year. This semester has come with challenges as we have toggled between distance and in-person learning. However, it has been our goal this past semester to keep our students and staff as safe as possible during this pandemic and we feel that we have achieved that.

The second semester will begin on January 5, and as with the first semester, we will be allowing families to choose between virtual and in-person learning. If a family chooses virtual learning, they must have access to reliable internet. Students in grades 7-12 will use online platforms such as Edgenuity and Edmentum and Mrs. Deatherage will make and monitor assignments. Grades PK-6 will receive assignments from the classroom teacher and the teacher will decide which learning platform will be used.

If you plan for your child to be virtual the second semester, please notify Mrs. Deatherage at bdeatherage@lefllore.k12.ok.us no later than January 4th. Families will have until January 18th to make their final decision for the semester. The format the student is enrolled in on January 19 will be the format they will stay with until the end of the semester.

Sincerely,

LeFlore Public Schools
