

Circle Benton Elementary

350 S. Kansas
Benton, KS 67017
Phone 316.778.1151

CBE Parents:

This letter is to notify you that the Circle School District will move to Remote Learning for the week of January 4th - 8th.

Lessons will be available online using Seesaw and/or Google Classroom. The students will be checking out their Chromebooks or iPads to use during this time. The technology will be sent home on December 22, to allow you the opportunity to become acquainted with its use and connect it to your local wifi.

Circle Benton Elementary will change our mode of learning from in-person to remote for all students starting Monday, January 4, through Friday, January 8, 2021. After this time, the plan to return to in-person will be on Monday, January 11, 2021.

Your student is expected to access and already uses daily the following resources:

- Google Classroom (3rd-6th grade)
- Seesaw (preschool-2nd)
- Reflex Math (K-6th)
- Lexia (K-3rd)
- OPAC (library checkout for 2nd - 6th)
- [CBE Navigating Change](#) (CBE site on the USD 375 website)

These resources will provide the necessary support to continue education at home.

Other items you can expect:

- Attendance will be taken daily and grades will be assessed on assignments.
- Students will be using both online and live-streamed activities on a daily basis.
- A Remote Assurances document will be sent home for you to return to school.
- Daily contact with a CBE teacher.

Our teachers will be available at school during this time to make sure to help make this transition as successful as possible. More information will be sent directly to you from your child's teacher, including resources, workbooks, and schedules. If you have any questions, please feel free to contact me at (316)778-1151.

Sincerely,

Rob Leis, Principal
Circle Benton Elementary
