(Recommendation: Explain in narrative form any modifications to the original Extended Learning Plan)

MPotts will adjust the plan when submitting to reflect the virtual status because of the change this week. Unfortunately with the transportation department in quarantine, cannot operate in person learning. As a result, the best option was to go virtual and this will be reflected in plan. MPotts shared an administrative meeting was held Saturday morning. Devices were handed out to families and the families of those potentially exposed were contacted that day. Teachers were online today teaching doing the best they can.
