A Message From Dr. Moore, Principal

End of the Year Message

Dear Families of RES,
 We have reached the end of another interesting school year. When I arrived at RES in 2019-2020 I never would have imagined a journey quite like this one. Despite the many changes, students & staff persevered and grew stronger. Thank you parents, guardians, & friends for being there every step of the way. Your Thankful Thursdays & endless support had a positive impact. I would like to congratulate our Rising 6th graders! I wish you much success at the middle school. As we prepare for next school year, please be sure to visit our school website (res.pcssd.org) throughout the summer for supply lists and other important information. Please note, school uniforms are required in 2022-2023.

2022-2023 Schoolwide Theme

"Reading Takes Us Around The World!"

Instructional Focus: Continents, Government, Geography, & More!

2022-2023 Instruction & Culture

Instruction will continue to be based on the Arkansas Academic Standards. Our goal is to increase student achievement and growth in English Language Arts, Reading, Science, and Math by 5-10% and reduce chronic absenteeism by the end of 2022-2023.

AVID Focus:

- Note-taking
- Organizational Skills
- How to break large assignments into parts and set deadlines to accomplish those assignments

PBIS Focus:

- Demonstrating PRIDE by meeting behavior expectations daily in all school locations.
- Monthly incentives based on the number of PBIS Rewards points earned as a result of students doing the right things in school (no more than 1 minor referral & no major referrals).
- End of the Year Incentive Field trips (Criteria based on Attendance, Completing Homework on time, & behavior. Additional information forthcoming.)

Staffing News

Please keep in mind that staffing news is subject to change without notice.

Next school year we will have returning staff & new faces. As of Friday, May 13th:

- Mrs. Gonzalez is our new Secretary/Registrar. Mrs. Gentry has been promoted to Central Office. Currently Mrs. Gentry splits her day between RES and Central Office.
- We've hired two teachers.
 - Mrs. Kendrick is currently a teacher in the Little Rock School District. She will be filling Ms. Porter's position. "Position" is not the same as teaching grade assignment.
 - Ms. Berley is currently a teacher in the Greenbriar School District. She will be filling Mrs. Moore's position.
- Mrs. Moore is resigning from her current position. However, she does not plan to leave us. Mrs. Moore plans to continue working at our school as an Academic Interventionist.
- Mrs. Patricia Davis will join our staff as bookkeeper on May 25, 2022. Currently she is the bookkeeper at Pine Forest Elementary. She will be replacing me. (Smile)
- Mrs. Pickett has been assigned as our Math/Literacy Coach. She currently works at Chenal Elementary as a temporary Assistant Principal. She will be replacing Mrs. Bailey who will be joining Crystal Hill Elementary as a temporary Assistant Principal.
- Ms. Bethany Davis has been hired as Pre-k Para educator. She currently serves as a long-term substitute at RES. She will replace Mrs. Swan who is retiring.
- Mrs. Oxford, our cafeteria manager is also retiring.
